Mass Effect: Andromeda takes you to the Andromeda galaxy, far beyond the Milky Way. There, you'll lead our fight for a new home in hostile territory - where WE are the aliens.

Play as the Pathfinder - a leader of a squad of military-trained explorers - with deep progression and customisation systems. This is the story of humanity's next chapter, and your choices throughout the game will ultimately determine our survival in the Andromeda Galaxy.

As you unfold the mysteries of the Andromeda Galaxy and the hope for humanity lies on your shoulders – You must ask yourself... How far will you go?
